### Electronics Watch:

*“Independent Monitoring Organisation working to achieve respect for labour rights in the global electronics industry through socially responsible public procurement in Europe”*

- Using the combined £ power of public bodies to drive change in labour conditions in ITC supply chains.
- Paying affiliates get contractual help, drafted clauses, monitoring of supply chains, reports on issues.
- Not one-off supplier auditing. In country monitoring and worker assistance/supplier improvement plans.
- Funded by paying affiliate members (public bodies). APUC is a Founding Member, as is another UK consortia - LUPC. University of Edinburgh, University of Leeds and University of Durham are also Founding Members.
- Affiliate members now also include University of Aberdeen and University of Leicester.
